

# SEMESTERLY SIG

SPRING • MAY 2024

## SPRING SUMMARY

During the 2023-2024 school year, we hosted events such as Build-A-Bear and Egg-A-Sig in which we raised more than \$1,600 for our philanthropies. We also adopted the I-75 Highway 6 overpass and helped to clean up our highway.

The brothers also participated in a philanthropic event hosted by Alpha Chi Omega called Alpha Chi Olympics where the brothers finished first. We also partnered with Alpha Chi Omega this April to help table for our philanthropies RAINN and The Cocoon.

# EVENT HIGHLIGHTS

Last November, the brothers of Alpha Sigma Phi competed in the annual Alpha Chi Omega Olympics! Our brothers dominated and finished in 1st place!

Back in November, we went to Al-Mar Lanes for a small tournament with all of the brothers!

## PRESIDENTIAL REMARKS

AIDAN DOWNS

A goal that we are going to achieve is finally breaking the streak of going to Grand Chapter and Elevate and leaving without a cup.

**I REMEMBER VIVIDLY A MEMORY AT THE 2022 GRAND CHAPTER IN NEW ORLEANS THAT OCCURRED IMMEDIATELY AFTER THE FORMAL DINNER WHEN GORDY CAME UP TO US AND ASKED US, 'WHERE'S OUR CUP?'**

Feeling embarrassed, I then made it my mission to one day be able to bring a cup home. We will achieve this by finally putting in the work to make it happen, hosting philanthropies, getting involved, and going beyond the bare minimum.

Back in September, we had a great time at Homecoming with our amazing alumni! Thank you to everyone who came out! It meant a lot for our brothers to hear your wisdom and memories.

## PHILANTHROPY

Our annual Build-A-Bear for Moms Event in November was an absolute success! We were able to raise a grand total of \$1,053.60 for Sufficient Grace Ministries! For this event, we invited students, staff, and faculty to come make bears for families dealing with the loss of a baby.
