## Nick Gresko - Obituary

It is with great sadness that we share the news that Brother Nick Gresko ('98) passed into the Omega Chapter on November 26th, 2024. For those of you who knew Nick and called him a friend and brother, he was truly unforgettable and his presence as an Alumni will be missed. Our thoughts go out to his wife (Alicia) and his family. An abbreviated obituary is below:

Nicholas Michael Gresko, age 47, passed away unexpectedly while on a cruise with his wife of 21 years, Alicia Gresko (nee Lamb).

Nick was very involved with his Church, Mary Queen of the Apostles, and in the Knights of Columbus. He was a founder of the Brook Park Council 13984, and Past Faithful Navigator of the Father Joseph J. McGraw Assembly.

Nick was an ardent sports fan, rooting for the Cleveland Browns, Cleveland Guardians, Cleveland Cavaliers, the University of Michigan, and his Alma Mater (BGSU).

Donations in his memory may be made to the Knights of Columbus, Brook Park Council 14984, 6455 Engle Road, Brook Park, OH 44142, for S.O.S (Support our Seminarians).

## Chapter History

In 1946 the Rover Club was organized at Bowling Green State University. A year later the group split with part becoming Chi Alpha and the balance of the members becoming a chapter of Alpha Phi Omega, a service fraternity. Chi Alpha received University recognition in February 1948, and was admitted to the IFC in April 1949. In 1950, Chi Alpha's petition for a charter in Alpha Sigma Phi was accepted, and the chapter was installed on June 3, 1950. The chapter succumbed to enrollment disruptions resulting from the Korean War, and, having initiated 88 members closed in 1954.

On October 6, 1963, Delta Lambda was formed as a local fraternity by 17 students. In February 1964, Delta Lambda was granted associate membership in the campus IFC, and in the summer of 1964, Delta Lambda submitted a petition for a charter in Alpha Sigma Phi. That Fall semester, the group moved into on-campus housing at 1 Old Fraternity Row, the chapter house Alpha Sigma Phi called home for 50 years until it was torn down in the summer of 2014. On October 3, 1964 the group was formally colonized in ceremonies at the University of Toledo's Beta Rho Chapter and on March 13, 1965, the chapter was re-chartered.

**Founders Day Bracket Challenge**

Beginning on November 25th, Alpha Sigma Phi held it's annual national Founders Day Bracket Challenge, and this year our Alumni really stepped up! The event is modeled after the NCAA college basketball tournament, creating brackets and rounds that pit Alpha Sigma Phi chapters across the country against each other while raising funds for the national endowment, and giving chapters the opportunity to win cash prizes for their own chapter endowment. When the dust settled, Bowling Green went 6-0 and defeated Kansas in the final round to win this year's National Championship! In addition to the alumni donations received, we won an additional \$5,000 from national! Thank you to the Alumni who stepped it up this year to bring home the hardware!
